

THE ESSENTIAL BREAD MACHINE BOOK

This collection of wonderful recipes features all the information you need about baking bread using both older and newer bread machine models. You'll find everything from traditional favorites to innovative recipes that reflect today's tastes, with tons of tips and techniques and three handy glossaries to help you every step of the way. This is the perfect book for people who cherish homemade bread... and the convenience of a bread machine!

RECIPES INCLUDE:

- Sourdough Bread
- 100% Whole Wheat Bread
- All-Occasion White Bread
- Buttermilk Cracked Wheat Loaf
- Bagels & Bread Sticks
- Mediterranean Bread
- Pumpernickel Bread
- Cornbread
- Roasted Garlic Bread
- Classic French Bread
- Spelt Bread
