Baby Care Basics

Taking care of your baby is one of life's biggest and most important challenges. New parents are overwhelmed by information from all sides, so how can you be sure what sources to trust? *Baby Care Basics* will replace uncertainty with knowledge, insecurity with confidence. Based on the most current research and recommendations, it answers the questions every new parent has on a daily basis, providing practical, expert advice on everything you need to know from pregnancy through your baby's first year.

.....
Planning for a Baby • Your Baby's First Few Days • Feeding Your Baby • Your Baby's First Month • Helping Your Baby Sleep • Your Baby's Months 2 to 6 • Introducing Solid Food • Your Baby's Months 7 to 12 • Protecting Your Baby • Caring for Your Sick Baby
.....

Dr. Jeremy Friedman, MB.ChB, FRCPC, FAAP, is the Associate Pediatrician-in-Chief at the Hospital for Sick Children, a Professor of Paediatrics at the University of Toronto, and a father of two.

Dr. Natasha Saunders, MD, MSc, FRCPC, is a staff pediatrician at the Hospital for Sick Children, a community pediatric hospitalist, and a mother of two young children.

Dr. Norman Saunders, MD, FRCPC, was a renowned and hugely respected general pediatrician with decades of experience. He was also a staff pediatrician at the Hospital for Sick Children and an Associate Professor of Paediatrics at the University of Toronto.
